

## **REGIONAL PLANNING PAPER-1, & PAPER-2, INDIA - COURSE MANAGEMENT AND ADVISORY**

Regional Planning Paper-1, & Paper-2, is best studied in an amalgamated manner since a theory paper finds itself applied in Indian conditions. The paper essentially studies the impact of various plans and policies of the Government as well as application of various concept and theories.

### **The Syllabus as it is**

Regional Planning: Concept of a region; Types of regions and methods of regionalisation; Growth centres and growth poles; Regional imbalances; regional development strategies; environmental issues in regional planning; Planning for sustainable development.

Regional Development and Planning: Experience of regional planning in India; Five Year Plans; Integrated rural development programmes; Panchayati Raj and decentralised planning; Command area development; Watershed management; Planning for backward area, desert, drought prone, hill, tribal area development; multi-level planning; Regional planning and development of island territories.

### **Relations with GS Mains**

Regional Planning Paper-1, & Paper-2, India

1. Regional Planning is very specialized and consequently not too much relationship with GS, except for a topic or two which it can help understand better.

### **What the students Get**

- SSS Regional Planning.

### **Additional material that the students can go for**

Yes, Current Issues and Analysis from newspapers and magazines

### **Learning Sequencing as it should be in order to understand the topic, and chapter structure**

The course sequencing is not per the syllabus. This is done to provide concept to the candidates. If the candidates follow the topic after another as per the syllabus they will never follow the concept. Hence the sequencing and reordering has been done to students benefit so that students are able to connect the dots and connect their concepts.

### **How best to utilize it**

#### **Pre Online Learning**

Before picking Regional Planning Paper-1, & Paper-2, to study, the candidate must have studied and understood the whole of of Indian Geography.

#### **Online Learning sequence.**

1. First read the topics
2. Listen to the explanation
3. Now use the summary
4. You have some model answers. Use only questions from model answers to write
5. Now compare your answers with the model
6. Ensemble will keep you updating on current affairs regularly on this topic
7. Keep an eye on updates

**Regional Planning paper 1 & 2**

<b>LEARNING SEQUENCE</b>	<b>TOPICS</b>	<b>CHAPTER AND STUDY MATERIAL</b>	<b>CLASS LECTURE by</b>	<b>SYNOPSIS &amp; LECTURE FORMAT</b>	<b>QUESTION BANK</b>	<b>MODEL ANSWERS</b>	<b>CURRENT &amp; ENRICHMENT</b>

### Post Script- General Directions after Course

- After having gone through the entire section, the candidates are advised to go through the entire of the summary part in order to understand the correlation aspects.
- The emphasis has to be more on analysis rather than on memorization of some facts.
- Questions have to be attempted only after having understood the topics and having acquired the ability to answer the questions.
- Student must be able to present knowledge of the concept being asked.
- Learn how to write answers from your YouTube channel and the various answer directives.
- Go through the Question Bank and observe the type of Questions asked.
- Interpretation and understanding of the question is the most important criteria.
- Pick up some questions given in your answer bank and write them on your own.
- Then compare these answers with the answers given to you.
- Repeat this process more than once.
- Then go through the entire answers given to you.
- Now start writing independent answers.
- Special emphasis must be given to drawing flow charts and India map to show correlations.
- Presentation should be in good legible writing and simple language with:
  - Use of maps, flowcharts and diagrams

- Use of examples and case studies to support the answer
- Adherence to word limit is advised.
- For answer evaluation you can join the test series and send cam scanned copies to Ensemble.
